Quality Programs... Online Delivery!

- Engineering Outreach (EO) offers complete graduate degrees, academic certificates and coursework for transfer credit in engineering and related fields.
- EO is an established distance education program with over 40 years of experience delivering courses to off-campus students.
- The University of Idaho is a member of the Association of Public Land Grant Universities (APLU) and is regionally accredited by the Northwest Commission on Colleges and Universities (NWCCU).
- More than 95 percent of EO students complete their courses.
- EO is approved by the U.S. Department of Veterans Affairs (VA) for U.S. military students.
- Engineering graduate programs are supported by undergraduate degree programs that are accredited by the Engineering Accreditation Commission of ABET: http://www.abet.org.
- Course sessions are encoded in high definition (HD) and are accessible online through a secure portal within two hours of being recorded on campus.
- More than 70 continually updated courses are delivered each fall and spring semester (fewer during the summer).
- EO offers personalized academic support services with responsive staff committed to meeting the educational needs of our students.
