Quality Programs... Online Delivery!

- Engineering Outreach (EO) offers complete graduate degrees, academic certificates, and coursework that may be transferred for credit in engineering and related fields.
- EO is an established distance education program with over 40 years of experience delivering courses to off-campus students.
- The University of Idaho is regionally accredited by the Northwest Commission on Colleges and Universities (NWCCU) and a member of the Association of Public Land Grant Universities (APLU).
- More than 95 percent of EO students complete their courses.
- EO is approved by the U.S. Department of Veterans Affairs (VA) for U.S. military students.
- U of I’s engineering graduate programs are supported by undergraduate degree programs that are accredited by the Engineering Accreditation Commission of ABET: http://www.abet.org.
- Course sessions are encoded in high definition (HD) and are accessible online through a secure portal within two hours of being recorded on campus.
- More than 70 continually updated courses are delivered each fall and spring semester (fewer during the summer).
- EO offers personalized academic support services with a responsive staff committed to meeting the educational needs of our students.

ELECTRICAL AND COMPUTER ENGINEERING

Course Delivery: Courses are recorded and delivered electronically to EOE approved classrooms and may be completed by the first day of class for more information visit our website at eo.uidaho.edu/teach.Generally.

Course Completion: The 8-week course requirement for Spring 2019 is May 9 – May 31 (16 weeks). This will be a self-directed distance learning experience. This course is designed to be completed by the first day of classes. For more information see our website at eo.uidaho.edu/courses.
Visit our Get Started web page at eo.uidaho.edu/get-started. You will find detailed information about the topics listed below.

EXAM DATES:
Courses ending mid-semester electronically will be given online; all other courses will be given at the final exam date listed at the bottom of the page. Students should review their courses early to plan for re-certified courses at the beginning of the semester. If a course is not offered in the fall, students should contact the professor with their requests to ensure final exams are created by the deadline.

EXAMINATION DEADLINES:
Registration Deadline: January 23

Registration for pre-encoded courses at the beginning of the finals week. Proctors will have access to all exams by the deadline.

COURSE COMPLETION:
The Fall course completion deadline for Spring 2019 is May 10, 2019 at 3 p.m. Pacific Time. Proctors will need to access tests immediately and complete those tests before the deadline. This is a critical deadline for re-certified courses at the beginning of the semester. If a course is not offered in the fall, students should contact the professor with their requests to ensure final exams are created by the deadline.

Registration Deadline: January 23

Visit eo.uidaho.edu/courses for the most current course information.

The University of Idaho Catalog (USPS 651-360) is published five times per year. Published twice each academic year, with major changes as needed. Periodicals postage paid at Moscow, Idaho 83843. Postmaster: Send address changes to: University of Idaho Catalog, University of Idaho, 875 Perimeter Dr. MS 1014, Moscow, ID 83844-1014.
CALANDER
See Engineering (EO) Calendar for important dates and deadlines for registration, additions, and withdrawals. Visit our website at eo.uidaho.edu/admission.
Course begins January 29, 2019.

ADMISSION
All students must be admitted to the University of Idaho prior to registering for courses. Visit our website at eo.uidaho.edu/admission.

REGISTRATION
Students are offered courses and admission to the University with their NetIDs and passwords. Students will need the course registration number (CRN) in all future transactions and for any future withdrawals. The course fees can be found on our website at eo.uidaho.edu/admission.

Spring 2019 FEES
Tuition for Idaho residents is determined by the Idaho Legislature every two years. The fees presented below are in effect for the Spring 2019 semester. It is critical students coordinate closely with their advisors to determine the accurate fees and plan accordingly.

COURSE DELIVERY
Course sessions are recorded in Engineering Outreach high-definition (HD) studio classrooms on the University of Idaho campus. If you have a full-time employment plan orobilization, students can receive their courses on their own or with other students. Students can access the first day of class by using their NetIDs and passwords. Additional information can be found on our website at eo.uidaho.edu/admission.

EXAM PROCTORING
Exams are exam-based electronically and EEO approved programs and are designed to be completed by the first day of class. For more information or if your proctor is not on our website at eo.uidaho.edu/examproctoring, please contact the University of Idaho campus.

COURSE COMPLETION
The EO course completion deadline for Spring 2019 is May 10, 2019 at 3 p.m. Pacific Time. Proctors will be required to submit completed exams by this date.

Course fees are subject to change by the Board of Regents of the University of Idaho. Visit our website for information about important dates and deadlines for registration, additions, and withdrawals at eo.uidaho.edu/calendar.

EO course completion deadlines occur in the semester the course is offered. EO students are responsible for completing their courses within 30 days after the assigned exam date by using their NetIDs and passwords. Additional information can be found on our website at eo.uidaho.edu/examproctoring.
